Story

A little girl was sleeping peacefully with her Teddy bear, when suddenly, a monster popped out from her cupboard then stole her favorite plush.

When closing the door, the little girl awoke then got inside the cupboard. and was projected into a magical world, full of monsters and oddities.

She must now explore this strange land and help its inhabitants in order to rescue her Teddy.

Still one question remains : will she be able to go back to the real world ?

Characters

- The little girl : She's the main character, she's looking for her Teddy bear.
- Mister Fly : Very useful fly to access some items where the little girl can't go. Very courteous.
- Mister Cat : Has a bad temper, nevertheless useful to access small places and narrow galleries. Just need to scratch its back.

The graphics look nice. But nothing works. You can't move or do anything. What is wrong with it? I really tried every button on my keyboard, the mouse and a gamepad.
And I won't get my money back.
Really disaapointed!
